Dear

STAT

On behalf of the Political Science Club, I would like to express my sincere thanks to you for inviting our organization to participate in this years 13th Annual Student Symposium on "SEPARATION OF POWER AND THE POWER TO GOVERN."

On behalf of myself, and the other three club members who participated in the symposium, I would like to inform you that we enjoyed the conference immensely, and found it to be a very rewarding, learning experience.

The entire symposium was arranged in such a way that our interest, and the information disseminated, were maintained at a maximum. The ability to hear Government discussed and analyzed by the array of distinguished personalities, particularly William Casey and Senator John Tower, made the symposium nothing less than an exercise in living history.

One of the most rewarding facets of the weekend for all the student participants, was the opportunity to meet one another and share experiences. (My own personal highlight, of course, was the opportunity to finally meet you.)

In closing, we of the Political Science Club would like to express our sincerest thanks to the man who made this outstanding event possible.

Thank you

STAT

We look forward to seeing you next year.

Respectfully yours,

STAT
